

**2. Fish, Wildlife and Law and Order
Committee
FY 2012
OFFICIAL ACTION**

DATE: October 24, 2011

TOPIC: Fall Fishery on the Icicle River

ACTION REQUESTED: Authorize weekly fall fishing periods on the Icicle River.

FORMAL ACTION TAKEN: Coho are expected in the Icicle River in good numbers, primarily due to efforts of the YN Mid-Columbia Coho Program. A surplus above production needs exists and tribal fishers should be allowed to share in the harvest. Therefore, the Fish and Wildlife & Law and Order Committee hereby authorizes a fishery for the Icicle River on weekly fishing periods of 6 a.m. Tuesdays to 6 p.m. Saturdays, from Tuesday October 25 to Saturday December 3, 2011. Standard subsistence gears will be allowed (platform/h&l) and snagging of fish is specifically prohibited. Fishing in the Icicle River is allowed where it borders the property of the U.S. Fish and Wildlife National Fish Hatchery at Leavenworth. This fishery will be monitored for impacts to Bull Trout and may close if necessary to protect Bull Trout. This regulation is pursuant to Chapter 32.14 of the Revised Law and Order Code of the Yakama Nation.
